2018

AMERICAN TOUR

We have just returned home from an outstanding tour of the US completing 18 gigs travelling through rain, shine and even snow to get there!

Thank you to everyone that took the time to come and see us and for making us

feel so welcome. Special thanks to the guest dancers and pipe bands that joined us. We had a great time and hope you did too!

BLAST FROM THE PAST

When jetting off to our US tour, look who we met on our flight, Chuck Harris.

For those of you that don't know the significance, Chuck was one of the judges when we won the talent show "When Will I Be Famous" back in 2007.

It was lovely to see Chuck again and he hasn't changed a bit in 11 years.

OUR GIRL

Just in case you didn't notice as we all wear skirts (!) anyway, we have a new member of the band in the form of Charlotte. Charlotte plays the bass guitar and we are delighted to have her join us.

OUR BOY

Welcome to our newest Chilli - Kieran Calder McGeoch was born 2nd March 2:01pm at 6lbs 13oz to Aldo and Calida.

They've had many a late night of changing and feeding the wee man and Aldo is looking forward to our **German tour for a "rest"!**

Thanks to everyone who has been in touch and given their love and best wishes.
